After the feedback taken from the students, the data are processed in respect of each subject and the interpretations are done graphically and the student's feedback are also mentioned in the report generated as given below for reference.

- Student Feedback on Institutional Governance/ Faculty performance

The institution does follow the practice of taking feedback from the students on governance related issues and teaching learning process. Three feed backs per subject are usually taken in semester. Exit level feedback from the pass out students regarding teaching learning process, infrastructure and student support system is also taken.

Following are the outcome and response of the Institute.

- I. It enables introspection at personal and institutional level. The Director shares the information with Staff Council and encouraged the faculty to take steps to overcome the deficiencies pointed out by the students. It also results in discussions about the kind of improvement needed.
- II. It has helped the institution to plan the institution strategies and action plan for the coming year. Based on students feedback, the institute redesigns the calendar of activities.
- III. The feedback data indicated that a section of students were not satisfied with the performance of some teachers. The Director communicates this information to the teachers concerned and encourage them to improve their performance.

- Online Feedback mechanism is also available through Institute website.

- **Internal Quality Assurance Cell**

The IQAC plays a significant role in the teaching-learning process. The IQAC has regular meetings with Faculty Council and Academic Council in which activities relating to the academic development of the students such as regular lectures, guest lectures, seminars, workshops, co-curricular activities, study tours, etc. are discussed. Problems faced, remedial measures and new methods of teaching/learning are discussed in Academic Council and suggestions are tried and implemented if found useful.

The IQAC also looks into the feedback obtained from the students on faculty, curriculum, infrastructure, etc. and suggests suitable steps for improvement.
